

#### DRESSAGE RULES:

1. Open to any horses aged 8-10 years with verified breeding
2. Riders will create their own 'freestyle'-type test without music. The test must include 9 compulsory movements as well as a combination of 4 additional options.
3. There is no mark for choreography as it is aimed at the playful development of future top horses.
4. Rider can choose any combination from the options.
  - a. Examples:
    - i. It is permissible to perform a half canter pirouette to the right and a full canter pirouette to the left.
    - ii. It is permissible to combine flying changes every fourth stride with flying changes every stride.
    - iii. Passage and Piaffe may be included for bonus points (one or both can be included)
5. For bonus points the movement must be recognised by the judge as a mark of 6 and above.
6. Tests to be between 5-6min.
7. The choice of compulsory and optional combinations will influence the degree of difficulty (DOD), which has an impact on the final mark.
8. Riders can enter any number of horses and qualifiers and alter their test according to their horse's training and development for each qualifier
9. There will be a league table with the highest percentage leading the table. Results for riders entering more than one qualifier will be averaged.
10. The top 15 riders will be invited forward to the NEXONE final
11. Dress and tack as for BD Grand Prix classes.
12. NEXGEN and British dressage rules apply.
